

2 BY 2 BOOKINGS

What is your dream for 2014? You can get the paycheck you deserve and multiply your business by using the 2 by 2 booking system. If your Pampered Chef calendar is empty, start by booking 2 shows in January.

At each of those 2 shows you will want to get 2 bookings so that in February you have 4 shows booked. Book 2 shows from each of those 4 shows, and you will have 8 bookings in March. Fill April and May with your March bookings, and you will have a consistent 8 show a month schedule.

By the end of June you will have held 38 shows! If you only average \$550 at your cooking show, that is \$20,900 in sales! Continue with 8 shows a month July through December, and you are at a total of \$47,300. With a few extra sales or a new recruit, you have earned the Disney trip! You have also reached the \$15,000 in career sales milestone and the 2% bump in commission; and you are earning 27%

commission each month! Keep in mind that it all started with only 2 bookings in January!

Do you see how you can multiply your business, earn the trip have great income and so much more? It all starts with 2 cooking shows!
