

# GETTING STARTED CHECKLIST

## YOUR 1<sup>ST</sup> 24 HOURS

- Sign in to Consultant's Corner and check out PCU, your online training site. Jump in with Getting Started.
- Set goals: What do you want out of your new business? How much cash do you want to earn?
- Get familiar with the New Consultant Rewards Program and the Fast Track bonus —what's on your product wish list? There's cash bonuses, too!
- Organize your calendar and identify upcoming dates you have available for cooking parties.

## YOUR 1<sup>ST</sup> 72 HOURS

- Visit PCU to learn how to book your first cooking parties!
- Identify the people on your Top 40 "Who Do You Know" List that you want to start booking parties with and start reaching out to them immediately.
- Do the **Strong Start Challenge!** Book four parties in four different social circles in a span of four weeks. Then book one more: your own party where you're both the host and the consultant (and get double the rewards!).
- Check out the host and guest specials for the month you're booking on Consultant's Corner > Promotions & Recognition.
- Sign up for your free 90-day trial of eBizTools®.
- Set up your online store (your personal web site).
- Set up your first parties in My Shows & Orders and email your new hosts.
- Learn how to host coach through PCU!

## YOUR 1<sup>ST</sup> FIRST WEEK

- Download the pamperedchef mobile app from the Apple iTunes® Store or Google Play®. It comes free with your eBizTools®.
- Consider opening a checking account for your business, to separate your home expenses from your business.
- Apply for an Order Payment Account and Direct Deposit. After 60 days you won't be allowed to use a personal credit card to submit commissionable shows/orders.

## WHEN YOUR KIT ARRIVES

- Unpack your products and play with them! Create your own stories with your cooking experiences.
- Visit PCU > Product Training to learn about the products.
- Deliver your host packets to your first four hosts immediately. Don't forget to add your contact information to all your materials.
- Use the products, become an official taste tester, and cook the Chipotle Chicken Nacho Dip and Farmer's Market Pizza!
- Whip up a batch of brownies in the Brownie Pan and add your favorite candy toppings! Share with neighbors and invite them to host their own Pampered Chef gathering!
- Announce your new business with a photo on your favorite social media sites.
- Connect with your recruiter and/or director to share what you've accomplished and ask questions every step of the way.

## AFTER YOUR 1<sup>ST</sup> SHOW

- Think about inviting a friend or family member to join the Pampered Chef family with you and learn the business together. Check out PCU > Recruiting for more information.
- Replenish your host packets! You'll always want to be prepared, so make sure to always have invitations, Party Planners, and catalogs on hand. You can order through the Business Supply Order cart, and check out the Building Business Kit for introductory offers.
- Check out the logo wear. Go to Consultant's Corner > Business Center > Logo Store
