PAST HOSTS

Hi this is _____ with Pampered Chef! I'm calling my hosts from this year to say thank you, because you literally make my business possible!

It was such a good time with your friends, and I'd love to do it again in 2017 and give you DOUBLE free products this time! That's right, we're giving DOUBLE FREE in January when you have a \$650 party. And JUST for having a party, you get free, half-price and 60% off products. And, if you host between January 1st thru the 10th* you'll receive a FREE Salad Chopper!! Don't let the name fool you ... that product chops more than salad. How awesome would it be to have a \$200-\$300 shopping spree with Pampered Chef?

I'm doing a really fun party called (theme) , and your friends will love catching up after the holidays and learning about _____. And your guests can get a freebie, too! They choose from five products when they spend \$75.

I have _____ and _____ open. Can I save one of those days for you and your friends?
